Greetings,

Yesterday's Crime Walk was a success and I would like to thank everyone who participated. Members of the Eighth District walked the beat with residents, City officials and Crimestoppers representatives for almost 60 minutes. By coming together as one, we create relationships that enhance our crime fighting abilities. We even had a few people who joined us along the way. We expect to have more Crime Walks in the near future and plan to focus on the DDD for our next effort. Please email suggestions for future routes to jrwilliams@cityofno.com.

Regards,

Jonette Williams
